

magic square II

leonzio cherubini

magic square II
-6 pages-

notes:

undeterminate number of players

undeterminate number of any kind of instruments
&/or electronics

numbers indicates the amount of tone/sounds to
produce in any range

place a short breath -silence- between each number
a longer one between each line, column, diagonale

each performer can play from one up to the six pages
in any order, this will change the duration of the piece

free dynamics (very soft range suggested)
